AN ACT further to define the powers and duties of the board of State commissioners of public charities, and to change the name of the board to the State board of charities.

PASSED May 21, 1873.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. The commissioners now in office, appointed pursuant to the act entitled "An act to provide for the appointment of a board of commissioners of public charities and defining their duties and powers," passed May twenty-third, eighteen hundred and sixty-seven, and their successors to be hereafter appointed, shall constitute a board to be called "The State Board of Charities," and such board and commissioners shall have the powers conferred by said law and all amendments thereof, together with such further powers and duties as are hereinafter mentioned; and all provisions of said laws not inconsistent herewith shall apply to said board and to the said commissioners respectively. Such a board shall cause a record to be kept of its proceedings by its secretary or other proper officer. It shall have power to make and use an official seal and alter the same at pleasure, and its proceedings and copies of all papers and documents in its possession or custody may be authenticated in the usual form, under its official seal and the signature of its president and secretary, which may be used as evidence in all courts and places in this State, in like manner as similar certificates by the secretary of State or any other public officer.

§ 2. Such board may, by its orders, from time to time, define the duties of its officers, and regulate the discharge of its functions; and shall, also, provide for the holding of at least four meetings during each year, which shall be public. Six members of the board, regularly convened, shall constitute a quorum. The failure on the part of any commissioner appointed as aforesaid to attend any three successive public meetings of the board above provided for, during any calendar year, may be treated by the governor as a

resignation by such non-attending commissioner, and the vacancy be filled; and the annual reports of said board shall give the names of each commissioner present at each of the said public meetings of the board.

§ 3. One additional member of said board, who shall reside in the county of Kings, and two who shall reside in the county New York, shall be appointed for the term of eight years, in the same manner as is provided in respect to the present commissioners.

§ 4. The said board or any one or more of said commissioners, are hereby authorized, whenever they may deem it expedient, to visit and inspect any charitable, eleemosynary, correctional or reformatory institution in this State, excepting prisons, whether receiving State aid or maintained by municipalities or otherwise, and also to visit and inspect any incorporated or private asylums, institutions, homes or retreats, licensed for the detention, treatment and care of the insane or persons of unsound mind, as hereinafter provided for.

§ 5. If, in the opinion of said board, or any three members thereof, any matter in regard to the management or affairs of any institution, subject to the visitation of said board, or to any inmate of any such institution, or person in any way connected therewith, requires legal investigation or action of any kind, notice thereof may be given by the board or any three members thereof to the attorney-general; and it shall be his duty thereupon to make inquiry and take such proceedings in the premises as he may deem necessary and proper, and to report his action and the results thereof to the said board without delay.

§ 6. Said board shall have authority to require from the managers and from the officers in charge of any institution it is authorized to visit, any information which said board may require in the discharge of its duties, and may prepare regulations according to which and provide blanks upon which such information shall be furnished by any such officer and managers in a clear, uniform and prompt manner, for use by such board.

§ 7. The said board shall be authorized to collect (and as far as it may think advantageous to embody in its annual reports) such information, both in this State and elsewhere, as it may deem proper, relating to the best manner of dealing with those who require assistance from the public funds, or who receive aid from

private charity ; and to make such suggestions, from time to time, as to any legislation or action which may be desirable in regard thereto. The said board may also, from time to time, in its reports to the legislature, present such views in regard to the best method of caring for the pauper and destitute children distributed through the various institutions of this State, or are without the instruction and guidance which the public welfare demands ; and also to furnish in tabulated statements, as nearly as possible, the numbers, sex, age and nativity of those in this State, and in the several counties thereof, which are in any way receiving the aid of public or private organized charity, with any other particulars they may deem proper.

§ 8. The said board shall have power, by a resolution to be entered on its minutes, subject to such terms and regulations as it may prescribe, to designate three or more suitable persons in any county to act as visitors, in said county, of the several poor-houses and other institutions therein, subject to the visitation of the board, in aid of and as representatives of said board, except such institutions as have a board of managers appointed by the State; and all officers and others in charge of such institutions shall admit to said institutions all such persons so designated, upon a production of a copy of such resolution, certified by the president or secretary of said board, to visit, examine and inspect the grounds and buildings of every institution, and every part thereof, and all its hospital and other arrangements, and to have free access to all its inmates. Any officer, superintendent or person in charge of any such institution, who shall refuse to admit any person so designated, or shall refuse to give said visitors all requisite facilities for the examination and inspection as herein provided for, shall be subject to a penalty of two hundred and fifty dollars for each such refusal, which penalty may be sued for and recovered in the name of the people of the State, by the attorney-general, and the sum so recovered shall be paid into the treasury of this State.

§ 9. No person, association or corporation shall establish or keep an asylum, institution, house or retreat for the care custody or treatment of the insane, or persons of unsound mind, without first obtaining a license therefor from the said State board of charities, provided that all persons, associations or corporations who, at the time of the passage of this act, are engaged in keeping such

asylums, institutions, houses or retreats, or in keeping insane persons, or persons of unsound mind, for compensation or hire, shall obtain such license within three months thereafter; and provided further, that this section shall not apply to any State asylum or institution, or any asylum or institution established or conducted by any county, or by any city or municipal corporation chartered by the legislature; and provided, also, that it shall not apply to cases where insane persons, or persons of unsound mind, are detained and treated at the houses of their families or relatives.

§ 10. Every application for such license shall be accompanied by a plan of the premises proposed to be occupied, to be drawn on a scale of not less than one-eighth of an inch to a foot, with a description of the situation thereof, and the length, breadth and height of, and a reference by figure or letter to every room and apartment therein, and a statement of the quantity of land not covered by any building annexed to such house and appropriated to the exclusive use, exercise and recreation of the patients proposed to be received therein, and also a statement of the number of patients proposed to be received into such house, and whether the license so applied for is for the reception of male or female patients, or for both, and if for the reception of both, of the number of each sex proposed to be received into such house, and for the means by which the one sex may be kept distinct and apart from the other. And it shall not be lawful for said board to grant any such license without having first, either collectively or by a committee thereof, visited the premises proposed to be licensed, and, being satisfied by such examination that they conform to the description of the application, and are otherwise fit and suitable for the purposes for which they are designed to be used.

§ 11. Whenever said State board of charities, upon the application of any person, association or corporation, made as provided by the preceding section of this act, and examination of the building and means employed, or proposed to be employed, to take the care of insane persons, or persons of unsound mind, by such person, association or corporation, shall determine that the same are sufficient and proper for such purpose, the said board is hereby authorized and required to grant such license, and to make such conditions, terms and regulations, in regard thereto, as shall seem meet and proper for the care and protection, health and comfort, and for the

inspection and examination of all insane persons, or persons of unsound mind, so lodged, boarded, kept or detained in such asylum or institution, and of all insane persons, or persons of unsound mind, in the charge or keeping of such person, association or corporation; which said license shall be filed in the office of the clerk of the county in which such asylum or institution is situated. The said board may revoke the license of any asylum or institution, issued under the provisions of this act, for reasons deemed satisfactory to said board; but such revocation shall be in writing and filed as aforesaid, and notice thereof given in writing to the person, association or corporation to whom such license was given.

§ 12. After the expiration of three months from the passage of this act, any person or persons who shall conduct or maintain any private insane asylum or institution, and the officers of any corporation who shall conduct or maintain such private asylum or institution without having obtained a license as herein provided, or for more than thirty days after the revocation of such license, or shall receive any patient after notice of such revocation, shall be guilty of a misdemeanor, and it shall be the duty of the district attorney of the proper county to proceed against such offender as may be provided by law.

§ 13. The governor shall nominate, and by and with the advice and consent of the senate, appoint an experienced and competent physician, to be called the State Commissioner in Lunacy, who shall hold his office for five years, and receive an annual salary of four thousand dollars, and traveling expenses not to exceed one thousand dollars, to be paid on presentation of vouchers to the comptroller; and who shall ex-officio be a member of the State board of charities, and shall make full report of all his official acts and visitations to the said board, from time to time, under such regulations as the said board may prescribe. The said board shall furnish such assistance as the said commissioner may, in their opinion, require to aid him in the proper and efficient discharge of the duties of his office. (*See chapter 446, title 10, of the Laws of 1874.*)

§ 14. It shall be the duty of such commissioner to examine into and report to said board the condition of the insane and idiotic in this State, and the management and conduct of the asylums and other institutions for their custody. The duties of said commissioner and those of said board in regard to the insane shall be per-

formed, as far as practicable, so as not to prejudice the established and reasonable regulations of such asylums and institutions aforesaid; and it shall be the duty of the officers and others respectively in charge thereof to give the members of said board and such commissioner at all times free access to and full information concerning the insane and their treatment therein. It shall also be the duty of such commissioner, under the direction of said board, to inquire and report, from time to time, as far as he may be able, the results of the treatment of the insane of other States and countries, together with such particulars pertaining thereto as he may deem proper, or the said board may require; and he shall perform such other duties as the board may, from time to time, prescribe. The authority conferred upon said board and commissioners to issue compulsory process for the attendance of witnesses, administer oaths and to examine persons under oath, is hereby conferred upon said commissioner of lunacy in all cases where there is, in the opinion of the board or said commissioner, from information given to the board or to the said commissioner, or otherwise, reason to believe that any person is unjustly deprived of liberty, or is improperly treated in any asylum, institution or establishment in this State for the custody of the insane, and he shall report the testimony taken in any investigation to the said board with his opinions and conclusions thereon without delay. The said board of commissioners may, in their report, from time to time, to the legislature, suggest any improvements they think desirable for the care and treatment of the insane, with such facts and information pertaining thereto as they deem expedient and proper, and such report shall be made annually on or before the fifteenth day of January. (*Same reference as last section.*)

§ 15. This act shall take effect immediately.

A circular from the secretary of said board shall accompany such notice to each county clerk, giving all necessary information respecting the commitment, support and care of State paupers in such alms-houses, according to the provisions of this act.

§ 4. The county judge and justices of the peace of the several counties of this State, and all police justices, upon the application of any superintendent or overseer of the poor, or other officer charged with the support and relief of indigent persons, and on satisfactory proof being made that the person applying to such officer for relief is a State pauper, as defined by the first section of this act, shall by warrant directed to such officer, or other suitable person, cause such pauper to be removed or conveyed to the nearest State alms-house, and such pauper shall be maintained therein until duly discharged. The application and all testimony taken in any such proceeding, and the order for the issuing of any warrant for the removal of any such pauper, shall be filed in the office of the clerk of the county in which such proceeding shall be had, and a copy of the same shall be forwarded by mail, within five days thereafter, to the secretary of the State board of charities. A verified statement of the expenses incurred by the officer, or other person, in making such removal, shall be presented to the officer issuing such warrant, who shall examine and audit the same, and allow such expenses as have been actually and necessarily incurred in such removal, a copy of which account and audit shall be filed in the county clerk's office. All such accounts for expenses incurred by counties, cities and towns, by reason of the removal of any such pauper, shall be paid by the treasurer of the county in which such expenses were incurred, who shall render a statement of the same to the comptroller on or before the third Tuesday in October, annually, and which statement shall include all claims for such charges to the first day of said October, and the same shall be reimbursed by the State treasurer, on the warrant of the comptroller, in like manner as other claims of counties against the

State are now by law reimbursed, provided that no payment shall be made by the State to any officer or other person for their time or service in making any such removal. The comptroller may require such accounts to be accompanied by such statement of particulars and facts, and substantiated by affidavit, as may to him seem proper.

§ 5. The expenses for the support, treatment and care of all persons who shall be sent as State paupers to such alms-houses, shall be paid quarterly on the first days of January, April, July and October in each year, to the treasurer of the county, or proper city officer incurring the same, by the treasurer of the State on the warrant of the comptroller, but no such expenses shall be paid to any county or city until an account of the number of persons thus supported, and the time that each shall have been respectively maintained, shall have been rendered in due form and approved by the State board of charities.

§ 6. The keeper or principal officer in charge of each and all such alms-houses shall enter the names of all persons received by them under the provisions of this act, with such particulars in reference to each as the said board, from time to time, may prescribe, together with the names of the officer making the complaint, and the judge or justice by whom the commitment was made, in a book to be kept for that purpose. Within three days after the admission of any such person, such keeper or principal officer shall transmit by mail the name of such person, with the particulars hereinbefore mentioned, to the secretary of said board ; and notice of the death, discharge or absconding of any such person shall, in like manner, and within the time above named, be thus sent to said secretary. The secretary of said board shall cause the names of the paupers in each of said alms-houses, furnished as above provided for, to be entered in a book to be kept for that purpose in the office of said board, and he shall verify the correctness thereof by comparison with the books kept in such alms-houses as aforesaid, and by personal examination of the several inmates thereof, and in any other manner the board, from time to time, may direct ; and he shall furnish the said board, in tabulated statements, on or before the second Tuesday in January, annually, the number of inmates maintained in each and all of such alms-houses during the preceding year, the number discharged, trans-

ferred to other institutions, bound out or removed from the State, and the number who died or left without permission during the year, with such other particulars and information as the board may require.

§ 7. In addition to the visitation of the secretary of said board, as hereinafter provided for, the said board shall cause each of such alms-houses to be visited periodically by some member or members of such board, who shall examine into the condition and management of said alms-houses respectively, and make such report thereof to the said board as may be deemed proper.

§ 8. It shall be the duty of the secretary of said board to visit and inspect each and all of the said alms-houses at least once in every three months, and as much oftener as in his judgment it may be expedient, or the board may direct. For the purposes of such inspections the said secretary shall possess all the powers of a member of the said board and also such further powers as are hereinafter mentioned. It shall be the duty of the officer in charge of each and every such alms-house to give to the said secretary free access to all parts of the grounds, buildings, hospital and other arrangements connected therewith, and to every inmate thereof, and to extend to him the same facilities for the inspection of such alms-house and its inmates as is required by law to be extended to said board and commissioners, and in default thereof he shall be subject to the same penalty as if access were denied to any member of said board.

§ 9. If any inmate of any such alms-house, when admitted, is insane, or thereafter becomes insane or of unsound mind, and the accommodations in said alms-house, in the opinion of said secretary, are not adequate and proper for his treatment and care, the said secretary may cause his removal to the appropriate State asylum for insane, and he shall be received by the officer in charge of such asylum and be maintained therein until duly discharged. The expenses for the support, treatment and care of insane persons or persons of unsound mind, so received in any State asylum, shall be paid to the treasurer thereof by the treasurer of the State, on the warrant of the comptroller, upon the account being duly rendered and certified to by the secretary of said board; provided, however, that such expenses shall not exceed those charged to counties, cities

or towns for the support, treatment and care of insane persons or persons of unsound mind in such asylum.

§ 10. When any child under ten years of age shall be committed to any such alms-house, the said secretary in his discretion may cause the transfer of such child to such orphan asylum in this State as he may deem proper. The expenses for the maintenance and care of such child thereafter, and until otherwise provided for, shall be paid out of the State treasury on the certificate of said secretary, in the same manner as provided in the preceding section as to the maintenance and care of insane persons or persons of unsound mind ; provided, that such expenses shall not exceed the cost of maintenance of such child in said alms-house. The said secretary, also, in his discretion, may bind out any orphan or indigent child which may be committed to any such alms-house or may be placed in any orphan asylum as aforesaid, if a male child under twenty-one years, or if a female, under the age of eighteen, to be clerks, apprentices or servants until such child, if a male, be twenty-one years old, or if a female, shall be eighteen years old, which binding shall be as effectual as if such child had bound himself with the consent of his father or other legal guardian.

§ 11. Any person becoming an inmate of any such alms-house, and expressing a preference to be sent to any State or country where said pauper may have a legal settlement or friends, willing to support or to aid in supporting him, the secretary of said board may cause the removal of such pauper to such State or country ; provided, in the judgment of said secretary, the interest of the State and the welfare of the pauper will be promoted thereby ; and the said secretary shall report, from time to time, to said board, the names of all persons, removed under the provisions of this act, the places whence removed, and the cost of the several removals.

§ 12. The said secretary of the said State board of charities, before entering upon his duties under this act, shall take and subscribe the constitutional oath of office, which shall be filed in the office of the secretary of State. In addition to the powers herein-before conferred upon said secretary, he shall possess and exercise the like powers, and be subject to the like duties as to such State paupers as superintendents of the poor exercise and are subject to in the care and support of county paupers. In case of the illness, absence, or other inability of said secretary, from any cause, to

perform his duties, they may be temporarily performed and discharged by any other person or persons to be appointed by said board for such purpose.

§ 13. If any inmate of either of said alms-houses shall leave the same without being duly discharged, and within one year thereafter is found in any city or town of this State soliciting public or private aid, he may be punished by confinement in the county jail of the county in which so found, for a term not exceeding three months, or he may be committed for a like term to any workhouse of this State, by any court of competent jurisdiction, and it shall be the duty of every superintendent and overseer of the poor and other officers charged with the support and relief of indigent persons, to cause, as far as may be, the provisions of this section to be enforced.

§ 14. The terms "alms-house" and "State alms-house," as used in this act, are to be applied to the county or city poor-houses or other buildings in which State paupers are being maintained, as herein provided for; the words "superintendent" and "county superintendent" mean county superintendent of the poor; and the words "overseer" and "overseers of the poor" mean town and city overseers of the poor.

§ 15. The sum of twenty-five thousand dollars, or so much thereof as may be necessary, is hereby appropriated to be paid for the purposes of this act, out of any moneys in the State treasury not otherwise appropriated, for the removal of paupers and their maintenance and care as herein provided for, and for the contingent and miscellaneous expenses attending the execution of this act, to be certified and allowed by the said State board of charities.

§ 16. This act shall take effect immediately.

And all the chronic insane paupers of the several counties of the State shall be sent to said asylum by the superintendents of the poor, except from those counties having asylums for the insane, to which they are now authorized to send such insane patients by special legislative enactments, or such counties as have been, or may hereafter be, exempted by the State board of charities.

TITLE NINTH.

LICENSES FOR PRIVATE ASYLUMS.

SECTION 1. No person or association shall establish or keep an asylum, institution, house or retreat for the care, custody or treatment of the insane or persons of unsound mind, for compensation or hire, without first obtaining a license therefor from the State commissioner in lunacy; provided that this section shall not apply to any State asylum or institution, or any asylum or institution established or conducted by any county; and provided, also,

that it shall not apply to cases where an insane person or person of unsound mind is detained and treated at his own house or that of some relative.

§ 2. Every application for such license shall be accompanied by a plan of the premises proposed to be occupied, describing the capacities of the buildings for the uses intended, the extent and location of grounds appurtenant thereto, and the number of patients of either sex proposed to be received therein ; and it shall not be lawful for said commissioner to grant any such license without having first visited the premises proposed to be licensed, and being satisfied by such examination that they are as described, and are otherwise fit and suitable for the purposes for which they are designed to be used.

TITLE TENTH.

SECTION 1. The Governor shall nominate and, by and with the advice and consent of the Senate, appoint an experienced and competent physician, who shall be designated as the State commissioner in lunacy, who shall hold his office for five years and receive an annual salary of four thousand dollars, and traveling and other incidental expenses, not to exceed one thousand dollars, to be paid on presentation of vouchers to the comptroller.

§ 2. It shall be the duty of such commissioner to examine into and report annually to the legislature, on or before the fifth day of January, the condition of the insane and idiotic in this State, and the management and conduct of the asylums, public and private, and other institutions for their care and treatment. The duties of said commissioner in regard to the insane shall be performed so as not to prejudice the established and reasonable regulations of such asylums and institutions aforesaid ; and it shall be the duty of the officers and others respectively in charge thereof to give such commissioner, at all times, free access to and full information concerning the insane and their treatment therein. It shall also be the duty of such commissioner to inquire and report, from time to time, as far as he may be able, the results of the treatment of the insane of other States and countries, together with such particulars pertaining thereto as he may deem proper.

§ 3. The said commissioner shall have power to make and use

§ 4. The said commissioner is hereby empowered to issue compulsory process for the attendance of witnesses and the production of papers; to administer oaths and to examine persons under oath in all cases where, from evidence laid before him, there is reason to believe that any person is wrongfully deprived of his liberty, or is cruelly, negligently or improperly treated in any asylum, institution or establishment, public or private, for the custody of the insane; and if the same shall be proved to his satisfaction, it shall be his duty to report the facts, together with his conclusions thereon, to a justice of the supreme court, who shall thereupon grant the necessary relief.

§ 5. The superintendent or keeper of every county poor-house, city alms-house or other asylums where insane paupers are kept, shall, on or before the fifteenth day of November in each and every year, report to the State commissioner in lunacy the numbers of male and female insane, idiots and epileptics in his custody on the first day of November last past, together with a statistical exhibit of the number of admissions, discharges and deaths that have occurred within the past year among that class of persons, and the average weekly cost of their maintenance. He shall also state the actual condition of those discharged and the causes of death in those dying within the institution.

§ 6. Any superintendent or keeper of a county poor-house, city alms-house or other asylum where insane paupers are kept, who shall neglect to report as above cited, shall be guilty of a misdemeanor, and, on conviction, be subject to a fine of not less than fifty dollars nor more than two hundred and fifty dollars, and it shall be the duty of the district attorney of the proper county to proceed against such offenders according to law.
